Re: MOTION TO INTERVENE in the Rate Increase Application of Arizona Public Service Company for an increase in its base rate for utility service and to Amend Decision No. 67744

DOCKET NO. E-01345A-05-0816

My name is listed below and the name, address and telephone number of my organization are listed above.

On behalf of the Jewish Community of Sedona and the Verde Valley ("JCSVV"), I wish to intervene in the application for increases in the permanent base rate and to amend Decision No. 67744 filed by Arizona Public Service Company (the "Utility"). The JCSVV is a Non-Profit Tax Exempt religious corporation that is a commercial customer of the Utility and therefore has an interest in the ramifications of an additional increase in electricity rates, and in particular the application of a "Demand Factor" to the JCSVV and other Non-Profit Tax Exempt religious organizations that use little or no electricity during peak use hours but rather use essentially all of their electricity during non-peak hours. The JCSVV should not be subject to a "Demand Factor" multiplier which is intended to compensate the Utility for high demand during peak hours by for-profit businesses.

I hereby certify that a copy of this Notice of Intervention has been mailed to Arizona Public Service Company, PO Box 53933 Sta. 3200, Phoenix, AZ 85072-3933.

Sincerely,

Joseph Knauer  
President,  
Jewish Community of Sedona  
and the Verde Valley
